To say Ava's 'naughty' is a gross understatement. This curvy honey is beyond what most guys would consider horny. This lady could suck the chrome off a hitch, but don't take our word for it, watch her video and see why mature women always give the best head.

AVA
& DINO

Ava's always seems to be up to no good – always playing games. This time we played a game of hide-n-seek and I couldn't find her because she's smart and hides in the shower. She knows I like that she's adventurous. Ava got more horny after this time and so she decided to sit and suck with my cock. After that, I slammed her tight pussy and blew a huge load all over those huge boobs and beautiful face.

HOW MANY COUPLES ARE HAVING SEX RIGHT THIS MINUTE?

That's a very good question and an impossible one to answer accurately. But we'll take our best stab at it. Of course, we'll be rounding off the numbers for easier comprehension. So, let's assume there are about 7 billion people in the world, and half are men and the other half. Let's rule out anyone under 18, so that leaves about 5.5 million of sexual age. Just to be safe, let's rule out another half billion who don't have sex, or rarely

have sex for one reason or another, and we'll work with 5 billion people. Then, let's assume that a couple has sex once a week. That's 2.5 billion couples divided by 7 or 360,000,000 hook ups per week. Now we'll divide that by 1440 minutes in a day and we get approximately 250,000 couples knocking boots every minute. Or if you like your stats a little tidier, then that works out to be 15 million per hour and 86,400 per second.

We asked 500 women in Miami if they had ever faked an orgasm with their partner. More than half admitted that they had, and most of those more than once. After that, we were afraid to ask their men if they thought their partner ever faked one!

U.S. crime estimate statistic on the amount of money city police departments spend for each prostitution arrest. Other stats suggest that upwards of \$100,000,000 is spent annually to arrest, process, book and jail ladies involved in the world's oldest profession. We think it's more.

BRITNEY
& **CeCe**

We love watching two lovely ladies who simply enjoy each other – and pussy eating. At first, the evening started off as any regular evening would, but CeCe became much more excited when hot little Britney put down her cell phone.

Once CeCe took off Britney's clothes, she couldn't help but to massage the private areas of her friend's body. This brunette definitely wanted to taste her friend's pussy and that is exactly what she did. She pressed her face into that shaved pussy and licked her dry. Then it was Britney's turn to return the favor.

I can't help but think that women don't like giving head, or I've just been picking the wrong women my whole life. Oh yeah, it always starts out fine for a month or so, but after that it seems like cock sucking becomes a chore. One that they don't want to do anymore. I've ended several relationships because bjs stopped!

RUB-A-DUB-DUB

Last weekend my friend Mike pulled his lower back at the golf course. We were finishing up on the 17th tee, and on his downswing, he hunched over and yelled in pain. Joey and I ran over to see if he was okay and he said he was. We got him to the golf cart and drove back to the clubhouse. After a half hour or so and a couple drinks, Mike said he felt better but did not think he could finish the game. We let him know that was okay. Over the

weekend he called and said it was staring to tighten up.

Joey told him that he should get it rubbed out and knew just the masseuse to do the job. Joey and I escorted him to see Ina, a massage therapist who claimed she could cure his back pain. She is a non-nonsense masseuse who appreciates clients who are punctual. We show up right on time and immediately she takes him to the 'spa' as she calls it. He disrobes immediately to maximize the time he has with her. After twenty minutes of working his back, she asks him to roll over and begins on his side and chest. Suddenly Mike feels his hands pulled onto her ass as she starts to kiss him and then shimmies out of her panties.

Not believing what is happening, but definitely feeling better, Mike goes along with it and soon finds out her sucking skills are

as good as her massaging skills. Ina climbs onto the massage table and mount him for a ride. A sharp smack on her ass lets her know he's ready for the ride, too. Then it's time for a tip and Mike leaves a very sticky gratuity all over Ina's face. We ask him how his back feels and he just silently thumbs ups us.

IN PRAISE OF HAIRY KITTY

I'm writing in mock complaint about all those bald pussies you show in your magazines. That's just not how it is out here in the real world and you should know that. Not every pussy is clean-shaven or has a landing strip down there. There are many men that like hairy pussies and I'm one of them. There's nothing like the aroma of a hot, sweet, wet and hairy pussy. The pleasure and the taste is like nothing else on this planet, or any other one!

I called my beautiful girlfriend one day and told her to please do me a favor, stop shaving down there, stop trimming down there. Now she's got one of the hairiest pussies I ever had the pleasure of licking or fucking. She thought that request was a little weird and she refused at first. I told her that I was a little weird and that I wanted to see how far it would grow. It took a while for her to agree to try it, but eventually she gave in. I had to convince her that I loved the funky smell that's trapped by the hairs and it's that musky aroma that's such a turn on. A point to my side was when I told her I would stay down there longer and lick her as long as she wanted. I knew the thought of oral orgasms

would entice her to see things my way.

I'd ask her daily to tell me how her pussy hair was growing and to make sure she was not trimming it. On month three, I went to work, but no matter how I tried, I could not concentrate on anything. My dick was getting hard just at the thought of the smell of her hot, smelly, wet pussy. Time to get off work. I called her up. I knocked on her door and she opened it with nothing on but white cotton panties and an impish smile that told me volumes. I threw my briefcase on the floor and she pulled me through the living room and into the bedroom.

After stripping down, the first thing I did was to bury my tongue in her mouth drinking her in. I laid her on the bed and immediately opened her legs and slowly pulled down her panties, revealing the bush I was craving. I had asked her not to play with herself and I wouldn't play with mine either, so when we finally hooked up it would be more intense. Now that time had come and I didn't know how long I could control myself. So, I asked her if she was sure she didn't play with her pussy? She said that she had been a good girl and needed to be eaten, now!

I got low and looked closely at the moist damp hair on her pussy to be sure she kept her promise. There was juice in her hair and dripping out of her pussy and by that time, I didn't know where the fuck I was, I only knew pussy. The aroma made me moan as I took as much of it in as I could. I used my finger to open her pussy and I couldn't believe how wet she was. I soaked my fingers and placed them in my mouth and tasted her aroma and the sweet taste of her now hairy

kitty. My dick was aching and my brain was under pressure to keep calm and not rush anything.

I licked it slowly and she was overcome by the pleasure. I realized that some of her pussy juice was dripping down towards her butt hole. I sensed my lady's body was so stressed and it was my aim to relax her sweet ass right to sleepyland, but not before she gets the fucking of her life. My dick was dripping tons of pre cum, and she was sweet enough to clean it up with her lips. The cum was stringing from my dick to her lips and the sight was too much to take.

I laid on the bed and asked her to slowly put her pussy on my face. Before it reached my mouth, her pussy was dripping from her excitement as I licked her hair and swallowed her pussy juices as the aroma went into my nose. By now, her pussy was begging for my cock. Her ass was facing me as I saw my cock go deep inside her sweet wet kitty. I was never known for being a two-minute-fuck, but that day I broke all records by cumming in a minute. She cried out as we were fucking like monsters. Fortunately, I was so hot and excited that I didn't get soft and was able

MEMO TO ME

I found this memo I made in my cell phone because I knew I was not going to remember much that night. i met annie at a party and took her home to check out her beautiful assets. Oh did i check 'em out really good, warming up this eager brunette with a vibrator and fucking the juices right outta her tight slurping pussy. She loved feeling my big cock deep inside her and let me fuck her pretty mouth many times again. i blasted a load all over her full boobs and then i took her home. 05/15/16

to load her pussy with my warm cum.

As I write this letter and reread it, I'm thinking it may sound a little weird (I told you I was) to a lot of people, but I only ask that you take a moment and think about it. Besides, my girlfriend told me she had not only saved money and pain by not waxing, but the razor burns and stubble are gone. In the end, she said she would keep the bush just for me, but she would like to trim it back a little so she wouldn't have to worry about hair popping out of her bikini bottom. For this glorious pleasure, I agreed and we've gone on to have some of the very best sex in our lives.

COCK ENUFF FOR TWO

I was fooling around in the kitchen with my neighbor Brooke, when her roommate Faith walked in on us as she was giving me head. Without stopping, Brooke motioned at her to get out, but I met Faith's eyes and smiled at her. Later that weekend, I was in their kitchen again getting something out of the fridge when Faith showed up in nothing but her bra that barely covered her rather large boobs. She let me know that I couldn't just come over anytime eating her food, drinking her drinks, and not giving her any 'action.' Faith gets hold of me and takes me to the couch. Amid my weak protests she pulls down my zipper and pulls out my cock and starts sucking it.

Meanwhile Brooke was in her room probably wondering why I was taking so long. She came down the stairs and heard all the

moaning and walked in on me balls deep in her roomie's. This time, it was more than enough for Brooke to hop right into the action and share my cock with Faith. This was the first time this happened although I had been hoping it would ever since I first hooked up with Brooke.

A NIGHT OF MILF

In Tampa last month, I was running on the beach with a friend when we saw a sad (but hot) looking MILF. We struck up a conversation to find why she seemed upset. Turned out Talley got into a fight with her man of ten years on their vacation. She found out he was cheating on her and flirting with anything in a bikini. So I told her we would help her find another hotel for a couple of nights without the guy knowing where she was. She was definitely in revenge mode and I think she was really into me so we went back to my place instead. We had some drinks and then she just fell right into my arms saying how lonely she felt. I consoled her with my kiss and cock and we fucked all night. She went back to him in the morning. Damn!

— *Boris, Tampa*

SAMANTHA & FRIENDS

When you see a lady like this, you don't think anal orgy. But she does. It's almost impossible to describe what we're all about to see. Words are wasted and pictures can only hint at the sexual animal behind golden tresses.

What an amazing group of pictures of an amazing lady. Two big and one huge cock don't seem to be enough to satisfy her. Seems there are just some women who have this type of incredible sexual appetite and we are fortunate enough to get to see them fulfil it.

It's supposed to be quite a blast and I'm hoping there will be some hot MILFs I could possibly hook up with. Yeah, as if that ever happens in real life.

there's no party like a pool party

Another summer is winding down but these late August days are still plenty warm. Around the neighborhood, the college age kids have all gone back to school and many of the stay-at-home moms can finally let loose. And what better way to cool off and relax? With a pool party blow out, of course. I organized a few of the folks around the neighborhood to see about getting a pool party together. My neighbor Brad said we could have it at his place. I printed out a couple dozen invites and passed them out to the houses I thought would come. If they all came, then that's 24 plus Brad, Kathie, his wife and me. And who knows if others will get invited by the invitees. It's supposed to be quite a blast and I'm hoping there will be some hot MILFs I could possibly hook up with. Yeah, as if that ever happens in real life. Brad and Kathie have lived next to me for about six years. We hang out once in a while and they've been over to my place for drinks a few times. They're pretty cool and I knew Kathie had some hot girlfriends, so my hopes were high for a hook up or two (at once).

August 29th was a pretty hot Saturday and I was just returning from a workout at the gym. As I turned the corner onto our street, it was full of cars. I park in my driveway and drop my stuff in the house. I freshen up and within a half hour I'm out the door with a bottle of wine in hand. I hear laughter and noise and head around the side of their house to the back yard to see the party's already started. I open the back gate and see Kathie running across the pool being chased by Brad. I walk in and set my bottle by the bar. I see a couple twenty-something girls at the pool playing with one another in the water with their nipples getting harder

with each cold splash of water that hits their bodies. I can't tear my eyes from the two women frolicking in the water. Brad slows down enough to greet me. "Grab a beer and join the fun." he says. I smile and look around the pool area and see about a dozen or so people, all relatively attractive and in various types of bathing suits holding loud conversations and half-empty drinks. A good sign, I thought, so I walk over to where the ladies were still fooling around.

I look back towards Kathie who's settled down in a pool chair with a girlfriend. Brad said her name is Gracie. He motions me over to say hello to Kathie and Gracie. I saunter over and say hello. Kathie stands and greets me with a big hug and introduces me to Gracie. Brad sees their glasses have emptied and asks if they'd like them refilled. They answer 'yes' in unison. Brad's off to the bar and I'm left with the two ladies in their skimpy string bikinis.

Kathie squirms and wiggles all over the chairs not holding back her squeals of pleasure as Gracie works her muff diving expertise on Kathie. Kathie flips her legs over her head and Gracie takes the cue, slipping her fingers deep inside her pussy.

Kathie tells Gracie to join her to take a dive off the board. They go over, Kathie bounces on it a couple times and jumps in followed by Gracie. They surface and swim to the other end of the pool, which is where we were originally standing. They climb out of the pool and their bikini tops fall off due to the weight of the water. I can't help looking at their boobs. Kathie's are medium sized and pert, while Gracie's are larger with large nipples. Both are great looking ladies with great bodies. They make no effort to cover up, so they gather their tops and throw them on their chairs. Brad shows up with drinks in hand, sees they're topless and promptly shoves the cold glasses onto their nipples. They jump back, but he has accomplished his purpose. Their nipples get hard immediately. The two ladies playfully tweak each others nipples and playful antics ensue. Gracie pulls the string on Kathie's bottoms and Kathie grabs Gracie's panty string and pulls it.

So now both their bottoms are hanging off and they're playing right in front of us guys. Brad and I egg them on to kiss and feel each other up, which they promptly do. I decide to lower the backs of their pool chairs and position them close together. Brad eases the ladies onto the chairs and Gracie wastes no time diving into Kathie's love box, teasing her clit with her tongue as she jams two fingers into Kathie's tight pussy. Kathie squirms and wiggles all over the chairs not holding back her squeals of pleasure as Gracie works her muff diving expertise on Kathie. Kathie flips her legs over her head and Gracie takes the cue, slipping her fingers deep inside her pussy. It doesn't take long before Gracie's finger fucking action causes Kathie to cum. Her squeals are not lost on the other guests and soon a circle of onlookers has gathered and the ladies are giving all a good show.

Once she recovered, Kathie kisses Gracie passionately, an obvious thank you for a great orgasm. Kathie

returns the favor wholeheartedly, diving in between Gracie's legs. Kathie takes on a different approach to pussy licking using the old-time flicker and tease technique, which drives Gracie wild. Alternating darting her tongue in and out of Gracie's pussy and quick flicks on her clit, Kathie slips a couple fingers into Gracie's love box causing her to go over the deep end. It is only a matter of a few minutes before Gracie is moaning and grinding her hips into Kathie's face with the power of her orgasm. Kathie smiles wickedly after her climax. Looking up at the happy crowd surrounding them, she says proudly, "I think that was the fastest I have ever been able to get a girl to cum."

"Okay everyone, show's over. There's more food and drink in the kitchen." Brad yells above the applause. The crowd disperses. I walk into the house and go from room to room and mumble hello to different people

Brad moves to the end of the sofa and Kathie lays back on it, spreads her legs and Gracie dives right in. She licks and finger-fucks her until Kathie cums all over her girlfriend's face.

who have gathered inside. I settle in a small, cozy room with Dirk, another neighbor and begin to ask him if he saw what went on outside. He said he was inside the whole time but had heard that Brad and Kathie were quite liberal. I laughed and agreed.

Kathie now enters the room wrapped only in a beach towel. She makes small talk with us in the room about how she and Brad have fucked in every room but this one. Brad now enters and they both sit on the sofa. They then turn to each other. Brad asks Kathie if she is ready to christen this room and she nods with a grin. Kathie drops her towel and slowly drops to her knees, pulls down Brad's board shorts, pulls out his cock and begins to give his cock a little oral attention.

Kathie gobbles up Brad's cock. It's obvious that she is genuinely enjoying the taste of his cock. Not bothered by the audience in the room, she continues sucking him. With Brad's prick now ready for action, he picks up Kathie and places her on the sofa so he can return the oral loving. The sounds of sex echo throughout the

house as the couple's sucking becomes increasingly vocal. More people are now standing in the doorway watching the action, but I have a ring-side seat. Brad and Kathie are now sixty-nining with him on top and he's jamming his rod into her mouth. She grabs his balls and lightly twists the sac making him groan even louder. He shoves a few fingers into her pussy as he's sucking and pulling on her clit with his lips. The room gets hot and damp and some people are loosening their clothes.

The lovers switch positions and Kathie is kneeling in front of Brad who's sitting on the sofa. She's stroking and sucking on him in a fervent effort to make him cum. Finally, egged on by the crowd, Brad cums and Kathie backs off so the crowd can see it. It spurts up about a foot and then lands back down on his tummy. I look away from the action to see Gracie pushing her way through the door and she comes deeper into the room. She stops at the sofa and gives them both big kisses. I sit quietly and watch keeping my hard-on to myself. Brad moves to the end of the sofa and Kathie lays back on it, spreads her legs and Gracie dives right in. She licks and finger-fucks her until Kathie cums all over her girlfriend's face. They kiss again and they both get up and go to the bathroom.

The party winds down about midnight with little new action. I stumble my way home and take care of my business, waiting for the next pool party imagining it's me getting sucked off this time.

MAXINE
& TALON

Look up. There it is in all its glory and we stare in utter amazement. If her clean-shaven mound isn't enough, her pink, wet and willing pussy is inviting us in. We invite you to check out her beautiful assets before they are ravaged.

**"Mmmm, this cock is
soooo big!"**

**Hearing her say that
with this cock in her
mouth got us aroused
even more. We had all
we could do to concen-
trate on not cumming in
our pants, she was that
good a cocksucker. And
she fucks good, too.**

& HEALS

Sharon Pink is happy to see her old flame, who she summoned with a booty call. He comes with a little 'thank you' gift for her, but what this sex starved MILF wants most is the big dick hidden in his pants! But first, she has two massive boobs to lick.

He tries to keep her focused on his cock but when she squeezes her big tits together and tells him she wants to fuck him, somehow his cock falls out of his pants and lands in her mouth and pussy without much effort.
